Re: Rare Breed Triggers, FRT-15

Dear Special Agent in Charge Saier

Thank you for your letter of November 15, 2021.

You had indicated on page two (2) of your November 15, 2021 letter, you had forwarded my letter and its enclosures, submitted on behalf of Rare Breed Triggers, LLC, to ATF's Firearms and Ammunition Technology Division (FATD).

I wish to inquire if you have received any response from their office and if not, do you have an expectation as to when I might hear back from your office on the FATD consideration of my submission.

As I sure you can understand, depending on the FATD's position, I may be forced to take this matter back up as a litigation

Should you have any questions or need additional information, please feel free to contact my office.

Sincerely,

A handwritten signature in black ink, appearing to be 'KCM', written over a horizontal line.
